Dear Michelle

Ofsted Inspection: 23 November 2021

Publication Date: 23 December 2021

I am writing to congratulate you on your recent good Ofsted inspection outcome. You must be pleased that Ofsted has acknowledged the good quality of your provision.

The report notes that all of the adults working in the setting are very skilled at extending children's learning and enjoyment through their interactions.

The report also notes that all children display superb behaviour and social skills, following the strong role modelling of you and your assistants. Children are enthusiastic learners, eagerly taking part in the broad range of interesting and challenging activities provided. For example, the youngest children show remarkable determination.

The quality of leadership and your commitment to high quality teaching and learning have led to the success of your setting. I am sure that it will continue to go from strength to strength.

With best wishes for the future.

Yours sincerely

Matt Dunkley CBE
